

ECS REFINING TEXAS

ECS REFINING TEXAS LAND DISPOSAL RESTRICTION FORM

Generator Name: _____ Generator USEPA ID No: _____

Generator Notification to Treatment Facility for Restricted Wastes

This notification is submitted to _____ in accordance with the land disposal restrictions promulgated under 40 CFR § 268.7 (a) and TAC § 335.431. These Federal and State regulations require the generator to test his waste or an extract developed using the test method described in Appendix I of 40 CFR §268 or use knowledge of the waste to determine if the waste is restricted from land disposal. Regulations also require that the information used to make this restricted waste determination be retained on site by the generator.

The waste(s) listed below is/are restricted from land disposal unless treated to the applicable treatment standard specified in the referenced regulatory sections.
